## Description

### Description

Brand new Senator RC480 just arrived.

The RC 480 is the largest of the Senator's small boat range. It has all the advantages of the RC 450 but with a lot more space where it counts, in the deck.

Add to this the higher sides and perspex windscreens and you get an awesome family fishing platform that is easy to tow, easy to launch, and a breeze to store.

Safety, as always, is at the forefront with separate pressure-tested pontoon and underfloor chambers making this little package virtually unsinkable.

This is possibly the best small family boat in the Senator line-up.

This package currently has the following:

2022 Senator

RC480 hull

2022 DMW single axle trailer

Powered with aMERCURY 60 ELPT EFI CT 4 Hours old Ex Demo

1x tote tank,

Bilge pump,

Battery and battery box with Iso switch

6-way switch panel,
