Description

2016 Yamaha WaveRunner FX SVHO— 36.5hours . Imaculate condition.

Engine and Power:

The SVHO (Super Vortex High Output) engine is the star of the show. It's a 1.8-liter supercharged beast that churns out a whopping 180 horsepower. This engine is all about acceleration and top-end speed. When you squeeze that throttle, it responds with enthusiasm, launching you forward. The supercharger ensures that you get consistent power delivery, whether you're cruising or pushing the limits. And with the larger intercooler and efficient oil cooler, this engine stays cool even during spirited rides. Lower oil temperatures mean more reliable performance.

Handling and Ride:

Yamaha's FX series is known for its stable and predictable handling. The SVHO is no exception. It carves through turns smoothly, and you won't experience any surprises. Whether you're leaning into a corner or opening up the throttle on a straightaway, the SVHO feels planted.

Design and Features:

The SVHO looks sleek and aggressive. Yamaha's NanoXcel material keeps the hull, deck, and liner lightweight without sacrificing strength. This translates to better handling and improved fuel efficiency. Fitted with a Manta S/S frame with rod holders and Iceytec. You've got space for fishing gear or just chilling out on the water. And the wakeboard and ski bracket? Well, that's your invitation to have some serious fun.

The Lowrance Elite 7" fish finder is a handy tool for locating those prime fishing spots.

And that full cover? It's like a protective shield for your WaveRunner, keeping it safe from the elements when you're not riding.

Trailer:: A quality Southern Alloy trailer completes the package. It's not just about functionality; it's also about aesthetics. When your rig sits on that trailer, it's a head-turner. Whether you're launching at the boat ramp or

parking it in your driveway, you'll feel proud.

Whether you're tearing across the ocean, fishing in quiet coves, or just enjoying the sun, this 2016 Yamaha WaveRunner FX SVHO is ready for action.
